

AMENDMENT TO THE MINUTES OF THE THIRD IMIA GENERAL CONFERENCE
HELD IN TOKYO, 1980

Please amend on page 22:

8.6 Report on finances
3rd paragraph from the bottom:

It was agreed upon that countries which have difficulties in transferring their fees in Swiss francs, will keep these amounts in special bank accounts at IMIA's disposal. IMIA may make use of these amounts when organizing conferences in these countries.

It was Dr. Grimm from the G.D.R. who requested to amend the minutes in the way mentioned above. It is indeed an omission from the Administrative Secretariat that these wordings were not mentioned in the minutes.

Mr. D.J. Kenny, Chairman WG 4 made the following comment on the minutes :

On my reading of the IMIA Constitution, Chairmen of Working Groups are Members of the General Conference and have voting rights except on financial issues. I see they have been accorded only "observer" status in the minutes.

Mr. Antonio Fernandez Perez de Talens mentioned that the General Conference in Tokyo 1980 was the THIRD G.C. and not the second as printed in the heading of the minutes.
