

Working Conference
Computer-Aided Medical Decision Making

September 30 - October 4
Prag, Czeckoslovakia

The conference was very important for IMIA, for this was the first conference held in socialist countries.

Thanks to the effort of the organizing committee chaired by Dr. Zvarova and the program committee chaired by Dr. van Bemmell, this was one of the most successful conference of IMIA.

IMIA established close relations with the participants of various socialist countries, who showed a great interest in IMIA activities and also in MEDINFO 86.
