Dear Dr. Nugawela;

Thank you for your kind letter and your offer to promote MEDINFO in Australia.

From your letter I understood that it might be too late to publicize in Australia by journals or newsletters. Considering the situation, if possible, I want to publicize the conference by direct mailing. If you could supply me with the name list of the society members, which you think most appropriate, it would be very appreciated. If it is in the form of labels, it would be ideal. We are ready to pay any necessary expense for the production of such labels and mailing cost from Japan or Singapore. Your help will be most valuable for the congress.

It is a great regret that you cannot come to Beijing or Singapore. But I understand and I congratulate for your new baby. Regarding the Asian Pacific Regional Association, which you initiated, I will try my best to follow up it and let you know the results.

I am looking forward to seeing you again in the near future.

Sincerely Yours,

Shigekoto KAIHARA, M.D.
