MEDINFO 89 Part 1 held in Beijing was a great success due to the excellent host of Mr Ouyang. Approximately 70 foreign people attended from 30 countries with more than 600 Chinese scientists. Many papers with high qualities were presented and two Chinese scientists were given award from the Program Committee Chairman, Prof. Manning at the time of closing ceremony. In addition to the scientific meetings, all the participants enjoyed a colorful reception on the first day and a magnificent banquet at the State House on the last day. I sincerely thank again to Mr. Ouyang for this excellent arrangements. I enclosed my address at the opening.

Now we have to make every effort to make Singapore MEDINFO as successful as Beijing MEDINFO. The key issue for the success is the number of the attendants. Please make your last minute efforts to promote Singapore MEDINFO to your colleagues. Dr. Lun is arranging many enjoyable events for the participants.

I am looking forward to seeing you in December.

Sincerely yours,

Shigekoto KAIHARA, M.D.
