Dear Dr. Willems:

Thank you very much for sending me the documents of Tbilisi IMIA Board Meeting.

I'm very sorry that I will not be able to attend this board meeting because I have to take part in another international conference on Chinese processing held in China, as a co-sponsor. I have informed Dr. Kaihara and Prof. Vasadze my absent. Except the matter of the final MEDINFO 89 Beijing accounts, I asked Prof. Kaihara to be my proxy.

 I will attend Glasgow IMIA Board Meeting and the Annual General Meeting in August. Considering my absent, would you please kind to postpone agenda on the final accounts of MEDINFO 89 Beijing congress to Glasgow IMIA Board Meeting, not this time. My point of view of MEDINFO 89 final accounts has been informed to Prof. Kaihara and Mr. Flint.

Please find the enclosed report for MEDINFO 89 Beijing and the Minutes of Preparatory Meeting for Asia-Pacific Association of Medical Informatics. Please enroll them to the documents of Board Meeting.

Wish a successful IMIA Board Meeting!

Best regards.
