MESSAGE:

Dear John

Most probably due to the international situation only a small number of papers have been submitted for DENTINFO' 91. Unfortunately the number of "passive" participants is even smaller. The majority of the sponsors of the conference (most of them being European companies and funding agencies) believe therefore that it is not worth the cost to bring a group of about 20 specialists from the United States, Japan and the European continent to Stockholm for an audience of less than 20 people.

The organizing committee had therefore to take the decision to cancel DENTINFO' 91. We very much regret this fact as we had looked forward to have you and your colleagues as our guests here in Stockholm.

With kind regards we remain,  
sincerely yours,

Ina-Veronika Wagner  
Co-Chairman,  
Program Committee,  
DENTINFO' 91

Werner Schneider  
Co-Chairman,
