Dear Dr. UaConaill

It is a pleasure to get in contact with you again and this time it is in regard of some information I would like to send you about some activities that we are carrying out right now in Argentina.

This coming November the Argentine Chamber of Health-Care Institutions will bring forward the **Congress "Health: Crisis and Reform"** which will be held in the city of Buenos Aires.

Important national and foreign personalities will be present at this Congress. Among others, the Minister of Health, Dr. Alberto Mazza, the Minister of Economy, Dr. Domingo Cavallo, the President of the Hospitals' International Federation, Dr. Scott Parker, as well as authorities of the European Community and of the Panamerican and World Health Organizations just to name a few.

FIM is in charge of the organization of the Seminary of Medical Informatics of which I also send you a program.

We will appreciate you spread this information in your country.

Looking forward seeing you soon,

Yours Sincerely

Dr. Nora Oliveri
FIM-President
